Dear Colleagues,

Following the success of our 1st Oman Paediatrics Conference last year, it is our great pleasure to invite you to attend the 2nd Oman Paediatric & Neonatology Conference, which will take place from the 13th till 15th of April 2017 in the historic & cultural city of Muscat, Oman.

The three-days-conference schedule is well designed and packed with rousing lectures, thought-provoking workshops, and a chance to meet Clinicians, International and Regional experts who work hard for better paediatric & neonatal practices.

Muscat is the capital of Oman, and is backed by the arid Hajar mountains, meaning you can trek deserts at dawn, spot dolphins at sunset, and experience the generosity of the Omani culture.

We hope that you will be part of this exciting event which will contribute to the development of paediatrics & neonatology healthcare sector in Oman. Get ready to inspire and be inspired.

Honorary President

Dr. Khoula Julenda Al Said
Senior Consultant – Pediatric Gastroenterologist, Child Health Program Director, OMSB, Associate DIO, Royal Hospital

Conference President

Dr. Emad Shatla
Head of Pediatrics Department, Sohar Hospital Sultanate
